

**Welcome to the abstract submission platform of the BBIF-IBS, to be held on 23 – 24 February 2023. We are looking forward to your inspiring contributions on biobanking.**

**Important Deadlines:**

**Last date of Submission for all other abstract types (Oral, Poster or Both) is 15<sup>th</sup> November, 2022, 11.00 PM.**

The selection outcome will be communicated in January.

The BBIF-IBS secretariat will contact the abstract submitters selected to schedule their abstract presentation.

**Submission Guidelines:**

1. Go to site <http://www.bbifoundation.org/conferences/>
2. Click on link for abstract submission.
3. Enter your email address, password, first name, last name, affiliation, country.
4. Indicate your **preferred presentation format: Oral, Poster, or Both.**
5. Enter your **Abstract title (max 25 words).**
6. Enter the **Abstract body (max 300 words).**
7. If applicable, enter the necessary details for the abstract presenter, first author, and the co-authors.
8. If applicable, provide your disclaimers and/or acknowledgments.

## **BBIF-IBS 2023 Annual Meeting & Exhibits Abstract Categories**

*Note: Abstract categories include Poster and Oral submissions.*

### **Biobanking:**

- Biobank Networks
- Business Models
- Collaborations between Industry and Academia
- Informatics & Technology in Biobanking
- Ethical, Legal and Social Issues
- Repository Standards

### **Biospecimen Research, Science and Outputs:**

- Translational Research
- Product development through biospecimen research
- Bench Technologies
- Cell Preservation
- Cryobiology
- Diagnostics
- Omics (Genomics, Immunomics, Metabolomics, Proteomics, Pathomics)
- Liquid Biopsy
- Microbiome
- Quality
- Stem Cell
- Therapeutics
- Transcriptomics
- Biosensor development
- Other
