

**BBIF-INTERNATIONAL BIOBANKING
SYMPOSIUM (IBS) 2023**

Scientific Program
Day -1 23rd February, 2023 (Thursday)

10:00-10:30	WELCOME ADDRESS	Dr. Shiv Kumar Sarin, DIRECTOR & VC, ILBS
	INAUGURAL ADDRESS & BBIF AWARD DISTRIBUTION	BBIF-TBD
SESSION 1		Chairpersons: TBD
10:30-11:00	Keynote Lecture The Importance of Population Biobanks in Personalized Medicine	Marianne K. Henderson, NCI, NIH, USA
11:00-11:30	"Integrating Biospecimen Science Assays into Clinical Assay Development"	Dr. Lokesh Agarwal, NCI, USA
11:30-12:00	Tea Break	
SESSION 2:		Chairpersons: TBD
12.00-12.30	HBS biobanking for translational and precision medicine research	Dr Olga Potopova, Cureline Group, USA
12:30-12:50	ICMR Guideline in Indian Biobanking	Dr. Nandini Kumar, former DG ICMR , India
12.50-13.10	Legal and regulatory frameworks governing biobanks/MTA	Dr. Ashoke Kumar, NCI AIIMS
13:10-14.00	Lunch Break	50minute
SESSION 3:		Chairpersons: TBD
14.10-14.35	Importance of Biobank in Drug Discovery/Menstrual Blood Mesenchymal Stem Cells Biobanking : Boon in Therapeutics	Dr. Arnab Choudhary, Metastop Solution, India/ Dr. PD Gupta , Ex-director CCMB
14:35-15:00	Utility of Biobanking in reproductive biology	Dr. Pramod Bajaj, Sperm Processor, India
15.00-15.35	Contributed paper session	
15.35-16.05	Poster presentation	
16.05-17.05	E&T workshop (Setting of Biobank)	Daniel Catchpoole, Marianne, Birendra, Rajesh Dixhit. TBD
17.05 -18.00	Indian Cultural Program	Dr. Krishan Kumar Sharma & Team
18.00-18.30	Tea & Exhibitions	
End of Day -1		

Day -2 24th February, 2023 (Friday)

9:00-10:00	Panel/roundtable discussion “My Challenges and opportunity in Biobanking” 1 Hour	Dr. Deepak Jain , Dr. Chhagan Bihari Nurse -TBD Donor-TBD Biobanker-TBD researchers -TBD
SESSION :1		
10:00-10:35	Keynote Lecture Introduction to rapid autopsy programs	Dr. Cassandra Griffin, ABNA President , Australia
10:35-11:00	Brain bank- made in India. A eulogy to the father of Brain banking in India	Dr. Anita Mahadevan, NIMHANS, India
11:00-11:30	Tea	
11.30-12:00	Preparing for Biobanking 4.0: Biobanking driving data analytics in biomedical research	Dr. Daniel Catchpoole, Ex ISBER & ABNA President, Australia
12:00-12:30	Standardization and Tools for Quality Biobanking that is Fit for Purpose	Clare. M alloca, ISBER President
	12:30-13:15 lunch	
SESSION 2:		Chairpersons: TBD
13.15-14.15	General workshop ISO 20387: 2018 (question session	Birendra, Marriana , Rana , New Biobank
14.15-14.30	Vote of Thanks and Award Distribution	Best poster & bast oral presentation
14:30-15.00	Biobank site Visit	Prior Registered only
14:30-18.30	Delhi Visit	Prior Booking
End of Day -2
